Efforts to Enhance Tax Compliance

The appropriate fulfillment of tax obligations is one of the critical social responsibilities of a company. With the business model of globally diversified investments, the Bank exercises its tax obligations not only in Japan but also with awareness of foreign tax laws and regulations concerning overseas lending and investing activities from Japan and business operations at its overseas locations, as well as international initiatives such as the BEPS Actions agreed by major jurisdictions at the OECD and implemented in Japan.

The Bank also conducts efforts to enhance tax compliance within the organization with the aim of increasing its medium-to long-term corporate value through sustainable growth. Specifically, the Bank provides its officers and employees with seminars designed to increase their tax literacy and will make continued efforts to increase awareness of tax compliance and reinforce tax governance.
