

London Branch External Whistleblower Hotline

Anyone who is in good faith suspects a whistleblowing event may utilize a whistleblower hotline. The Branch has engaged an independent third party, Safecall, that maintains a hotline, through which employees, vendors, consultants or customers may report any concerns by email, telephone or online. In addition to Safecall, individuals may also raise concerns directly with the relevant UK regulatory authorities, including the Financial Conduct Authority (FCA) and the Prudential Regulation Authority (PRA).
