

Leading Bank of Agriculture, Forestry and Fishery Supporting Industry, Food and Local Living

The mission of The Norinchukin Bank is to fully support Japan's agricultural, fisheries and forestry industries as the national-level organization of JA Bank Group, JF Marine Bank Group and JForest Group. Through this support, the Bank contributes to the development of food production and consumption and a better quality of life for the people living in local communities.

Securing stable profits through global investments as one of Japan's leading institutional investors is an important activity that we undertake to fulfill our mission.

In December 2013, The Norinchukin Bank celebrated its 90th anniversary. As we head into our 100th anniversary, courageously facing change, we will pursue our unchanging mission and continue to challenge new horizons.
